

CONTACT TRACING AND AFFILIATE NOTIFICATION PROGRAM

As of COVID-19 and the start of the 2022 academic year, the University of the South Florida (USF) has implemented a contact tracing and affiliate notification program.

Individuals who are currently on the USF campus or who have been identified as close contacts of someone who has tested positive for COVID-19 will receive an email to their AU email account from the Affiliate Notification Team.

Individuals who are currently on the USF campus or who have been identified as close contacts of someone who has tested positive for COVID-19 must report AU.

Contact tracing is a critical tool in the fight against COVID-19. We encourage all individuals who are currently on the USF campus or who have been identified as close contacts of someone who has tested positive for COVID-19 to report AU.
